VIRTUAL KEYNOTES

- 10 minutes to 1 hour
- Skill building content delivered in a motivational style
- Similar to a traditional main stage keynote address, just delivered virtually
- Perfect to kick off virtual team meetings or as a stand alone event

TAILORED VIRTUAL WORKSHOPS

- 30 minutes to 2 hours
- Skill building content, assessments, interaction, exercises
- Similar to a traditional breakout session, training or workshop
- Perfect as a lunch and learn, leadership training session, or team-building

FACILITATED WEBINARS

- 45 minutes to 1 hour
- Skill building content, assessments, interaction, exercises
- A prerecorded webinar with tailored facilitation at the beginning and end
- Perfect as a lunch and learn, leadership training session, or team-building

VIRTUAL ACADEMIES

- A series of customizable sessions
- Skill building content, assessments, interaction, exercises, assignments
- Plenty of time for Q and A, small group work, and application in real life
- Turn-key leadership development

WEBINAR DOWNLOADS

- Individual webinars (45-60 mins.) or webinar series
- For individual or group learning
- Fast-paced and content rich
- Perfect for self-study, lunch and learns, and team building
